In the heart of Milan, in the renowned and discreet Cinque Vie district, lies an apartment of unique and authentic charm.

Located on the second and top floor of an elegant "Old Milan" building, overlooking a quiet, green internal courtyard, this 100 sqm duplex apartment offers a perfect balance between historical character and contemporary design. The result of a complete renovation, the interiors unfold seamlessly, combining visual continuity with functional living. The property is brand new and has never been lived in.

The south-west exposure ensures abundant natural light throughout the day, creating a warm and inviting atmosphere. High ceilings enhance the sense of space and verticality, while a refined mezzanine hosts the sleeping area, complete with walk-in closet and bathroom. The living room, featuring a fireplace, is intimate and welcoming, enhanced by large windows and a charming ~~upn~~ terrace, ideal for enjoying the quiet of the city center.

Two modern bathrooms, a fully equipped kitchen, a laundry area, and intelligently designed spaces make this home ideal for a couple, a professional, an executive or an artist seeking an inspiring and timeless environment. In a more private corner of the living area, a foldaway double bed is positioned next to the second bathroom, offering comfort and privacy for guests. A practical mezzanine storage area is also available, perfect for suitcases, seasonal items, or less frequently used belongings.

A hidden gem in the heart of Milan, where you can experience the city with style, light, intimacy, and tranquility.
