Furnished one-bedroom apartment for rent Viale Papiniano
In one of Milan's most sought-after and well-connected areas, just steps from Piazza Sant'Agostino, we offer for rent a newly built furnished one-bedroom apartment set within an elegant residential building with concierge service.
The apartment is located on the fourth floor, served by two elevators, and enjoys quiet internal views that ensure excellent privacy and tranquility. The two small balconies, accessible from both the living area and the bedroom, enhance the property and provide pleasant outdoor spaces.
The internal layout is functional and well designed: entrance onto a bright living area with open-plan kitchen fully equipped with appliances, double bedroom, and spacious bathroom with suspended sanitary ware and large shower. The finishes are refined and contemporary, featuring parquet flooring, gres porcelain bathroom finishes, large windows, and designer furnishings.
The property also benefits from a security door, centralized heating and hot water, and ducted air conditioning.
The location is particularly strategic: the Catholic University can be easily reached on foot, as well as Corso Genova and the lively Navigli district. The area is very well served by public transport, with the M2 Sant'Agostino and M4 California metro stations within walking distance.
