Bright one-bedroom apartment with dual exposure in the historic heart of Milan

In the historic heart of Milan, in one of the most charming and sought-after areas of the city centre, at the corner of Corso Magenta, Via Brisa and Via Santa Maria alla Porta, we offer for rent an elegant one-bedroom apartment with dual exposure and two balconies. The apartment opens onto a bright living room with open-plan kitchen, enhanced by a large French window giving access to the balcony overlooking Corso Magenta, which brings abundant natural light into the interiors.

The sleeping area includes a spacious bedroom with en suite bathroom and French window opening onto a second balcony, facing Via Brisa, a quiet and reserved side street. The internal layout is completed by a second bathroom, serving the living area and guests.

The property is delivered with a furnished kitchen and built-in wardrobe in the bedroom, while the other rooms are left unfurnished, allowing the future tenant to furnish and personalise the home according to their own taste.

The apartment is vacant and available immediately. It is equipped with central heating, central air conditioning and a cellar.

The setting is particularly prestigious: the building features dual access, both from Via Brisa and Via Santa Maria alla Porta, and enjoys an exclusive location, immersed in the history of the city and just a few steps from the main services, shops and transport links of central Milan.
