ELEGANT APARTMENT WITH TERRACE FOR TEMPORARY RENT

In the refined residential area between Via Ravizza and Via Raffaello Sanzio, we offer for temporary rent, until the end of June 2027, an elegant 99 sqm apartment with a terrace, located on the fourth floor of an exclusive 1950s building.

The property opens onto a spacious and bright living room with dining area and open-plan kitchen. The sleeping area includes a generously sized double bedroom with a dedicated wardrobe space and a bathroom with shower. A pleasant terrace completes the property, providing an ideal setting for relaxing outdoors.

The apartment is in good condition and features parquet flooring, aluminium window frames with double glazing and electric shutters.

The building comprises only four residential units, ensuring privacy and tranquillity, and is set within an attractive residential area surrounded by villas and low-rise buildings.

The location is particularly convenient and well connected: De Angeli MM1 underground station can be reached on foot in approximately five minutes, while shops, services and commercial activities are available nearby.

The building does not have a lift but is equipped with a stairlift chair.

Available from September 2026.
